

Inspired by Nature. Harmonious in Form.

Cempa offers attractive, flexible solutions to meet the needs of today's corporate and institutional markets. At the center of Cempa ancillary seating is its simple, sculpted seat shell inspired by the smooth contour of a petal. The comfortable seat shell is available in wood veneer (oak or walnut) and eight poly colors including green, yellow, blue, red, silver, iron grey, black and white. An upholstered seat pad can be added to the shell or Cempa can be fully upholstered in a wide range of fabrics. Polished aluminum or matte black arms with softskin pads are available on all models.

DESIGN: Jessica Engelhardt

Multipurpose by Design. Graceful under Pressure.

Combine Cempa's range of shells with multiple base options for different looks and functions. Stackable 4-post chairs and stools are available in polished chrome or black powder coat, while wood 4-leg chairs are offered in matching walnut and oak species. A pivoting desk tablet comes standard on the 5-star polished aluminum base with casters. Cempa's 4-star base is available in polished aluminum or black powder coat. All of Cempa's features work in concert to create appealing institutional spaces. Truly multifunctional, Cempa enhances any environment while providing a graceful solution for flexible spaces.

The Cempa 4-leg castered chair with arms and wood shell won the prestigious Red Dot Award for Product Design in 2017.
