

Perillo

DAUPHIN

Simple in Design. Complex in Character.

Derived from the award-winning Perillo, this chic, multipurpose chair with its unique personality and futuristic appearance is perfect for a variety of applications. Produced standard in lightweight white poly, Little Perillo can also be specified with seat pad or fully upholstered. The molded seat, backrest and armrests come seamlessly together to create this cheeky and hip chair. The Little Perillo is available with white or polished metal legs, wood legs, four-star base on glides, round tulip base, or five-star base with casters.

DESIGN: Martin Ballendat

Fluid in Line. Fun with Flair.

Created by Martin Ballendat from one continuous thermo plastic sheet, Perillo's seat, back and arms produce an uninterrupted line that flows Mobius-like through this graceful lounge chair. Available glossy white, glossy white with an upholstered seat pad or fully upholstered, Perillo is equipped with a clever cylinder that returns this distinctive lounge chair to its original orientation when unoccupied.
